Introduction to Your Insurance Policy

This is **your** insurance policy. It is a contract of insurance between **you** and **us**, and is made up of this policy booklet, **your schedule** and any **endorsement** applying to **your** insurance policy. It is based on the information and statements **you** have provided to **your broker** or the information that was given on **your** behalf when **you** applied for this insurance. **You** should keep it in a safe place.

The insurance relates **ONLY** to those sections of the policy which are shown in the **schedule** as being included.

Each address included under this insurance is considered to be covered as if separately insured.

It is important that **you** read **your** policy booklet together with **your** schedule very carefully. Please read the whole document. It is arranged in different sections. It is important that:-

- **you** are clear which sections **you** have requested and want to be included;
- **you** understand what each section covers and does not cover;
- **you** understand **your** own duties under each section and under the insurance as a whole.

If any details are incorrect or if it does not provide the cover **you** need **you** should return the **schedule** to **your broker** immediately.

In return for payment of the premium shown in the **schedule**, **we** agree to insure **you**, subject to the terms and conditions contained in or endorsed on this policy, against loss or **damage you** sustain or legal liability **you** may incur for accidents happening during the period shown in the **schedule**.

Failure to pay **your** premium within the timescales advised to **you** by **your broker** may render **your** policy invalid from its inception.

Cooling Off Period

You will for a period of 14 working days from the date **you** are informed that this insurance contract has been concluded, have the right to cancel this policy and receive a full refund of any premium **you** have paid to **us** by giving **us** notice in writing, although **we** reserve the right on refunding any premium paid to **us** if **you** have made a claim under this policy.

To exercise **your** right to cancel, contact **your broker** who arranged this cover for **you**. Please be aware that **your broker** may charge a fee for work completed on **your** behalf.

Cancellation Clause

1. **We** can cancel this insurance by giving **you** 14 working days' notice in writing. Any return premium due to **you** will depend on how long this insurance has been in force and whether **you** have made a claim. **We** reserve the right on refunding any premium paid to us if **you** have made a claim under this policy.
2. **You** can also cancel this insurance at any time by writing to **your broker**. Any return premium due to **you** will depend on how long this insurance has been in force and whether **you** have made a claim. **We** reserve the right on refunding any premium paid to us if **you** have made a claim under this policy.

Choosing the Right Levels of Cover

Our aim is to provide **you** our customer with first class service at all times. **Your** view of the service **we** give **you** is very important to **us** and **we** welcome your comments on any aspect of the way **we** do things.

We will investigate it promptly because when things go wrong, solving the problem is a priority for **us**.

Choosing the Right Levels of Cover

Adequate insurance for your circumstances

How much to insure for

It is **your** responsibility to make sure that the amount **you** insure under **your** policy represents the full value of the property concerned. **You** will find these amounts (“sum insured”) for which **you** are insured in **your schedule**.

For **buildings**, this means the full cost of rebuilding **your residential investment property** including fixtures and fittings, any outbuildings and external structures like walls and fences, plus an amount for any extra charges that could be involved in rebuilding such as demolition costs, architects’ and surveyors’ fees and meeting the requirements of local authorities. Please note that the cost of rebuilding **your residential investment property** may be different from the market value of **your residential investment property**.

For **contents** this means the full cost of replacing all **your** belongings within the **residential investment property** at current prices (apart from television sets, DVD players, camcorders, videos, record players, compact disc players, video recorders, home computers, laptop computers, game consoles including CD’s, tapes, records and software and similar equipment over one year old, for floor coverings more than five years old and clothing and household linen, where **we** may make a deduction for wear and tear and loss in value).

It’s important that **you** insure for the full amount as these “sums insured” represent the maximum that **we** will pay in the event of a claim.

If **you** have any doubt on the adequacy of the amount **you** are insured for under this policy **you** should immediately consult with **your broker** who will assist **you** in ascertaining adequate amounts for the property concerned.

6. The observance by **you** of the terms, conditions and **endorsements** of this Policy as far as they relate to anything to be done or complied with by **you** will be a condition precedent to any liability under this Policy save that failure to comply with a notification period will not entitle us to refuse a claim unless such failure has prejudiced **us**. Prejudice may include, without limitation, restricting or impeding our ability to investigate or defend any claim by or against **you**, incurring or increasing any loss, damage, liability cost or payment that would not otherwise have been incurred or not occurred to the same extent and/or impeding or restricting the ability to obtain contribution from or to exercise subrogation rights against any other person (including any other insurer).

2. Fraudulent claims

If **you**, or anyone acting on **your** behalf, make a claim knowing it to be false or fraudulent in amount or in any other respect, in any way **we** may, as soon as is practicable after becoming aware of that fact, notify **you** (on paper or on another durable medium) that **we:**

How We Settle Claims

SECTION ONE: BUILDINGS

How we deal with your claim

If **your** claim for loss or **damage** is covered under section one, **we** will at **our** option replace, reinstate or pay the full cost of repair as long as:

- the **buildings** were in a good state of repair immediately prior to the loss or **damage**; and
- the sum insured is enough to pay for full cost of rebuilding the **buildings** in their present form; and
- the **damage** has been repaired or loss has been reinstated.

We will take an amount off for wear and tear from the cost of any replacement or repair if immediately before the loss or **damage** the **buildings** were not in a good state of repair.

We will take an amount off for wear and tear from the cost of any replacement or repair of any felt roof.

Where **we** agree to pay **you**, **we** reserve the right to make staged payments as works progress and to retain up to 10% of the agreed cost of repair/reinstatement until all works are complete, final invoice submitted and final inspection completed by **us** or **our** representatives

Your Sum Insured

We will not reduce the sum insured under section one after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or **damage**.

If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or **damage** is more than **your** sum insured for the **buildings**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.

Limit of Insurance

We will not pay more than the sum insured for each address shown in the **schedule**.

SECTION TWO: CONTENTS

How we deal with your claim

If **you** claim for loss or **damage** to the **contents** **we** will at **our** option repair, replace or pay for an article covered under section two.

For total loss or destruction of any article **we** will pay **you** the cost of replacing the article as new, as long as:

- the new article is as close as possible to but not an improvement on the original article when it was new; and
- **you** have paid and where **we** have authorised the cost of replacement.

The above basis of settlement will not apply to clothes, household linen or pedal cycles, TV sets, DVD players, camcorders, videos, record players, compact disc players, video recorders, home computers, laptop computers, game consoles and similar equipment including CDs, tapes, records, and software over one year old, where **we** will take off an amount for wear and tear and depreciation.

We will not pay the cost of replacing or repairing any undamaged parts of the **contents** which form part of a pair, set or suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

Your Sum Insured

We will not reduce the sum insured under section two after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or **damage**.

If **you** are under insured, which means the cost of replacing or repairing the **contents** at the time of the loss or **damage** is more than **your** sum insured for the **contents**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of replacing or repairing the **contents**, **we** will only pay one half of the cost of repair or replacement.

Limit of Insurance

We will not pay any more than the sum insured for the **contents** of each address shown in the **schedule**.
