Help Us to help you

At the time of an accident don't admit liability. Many people feel apologetic about accidents for which they are not responsible. Aggression by either party does not signify innocence either. Let Us deal with the liability issue.

Please make a note of the name, address and insurance information (Company and policy number) of the other people involved. Make a note of the registration numbers and the positions of any other vehicles. Obtain the names of any witnesses and Gardaí involved.

Tell Us about the accident as soon as possible by calling Claims 091 762 727.

We do not require an accident report form to be completed in every case. However, We recommend that You draw a sketch which clearly shows the position of Your Vehicle before and immediately after the incident while the details are still fresh in Your mind.

We operate an Approved Repairer Network which may be able to provide You with assistance in relation to the damage to Your own LCV.

Please forward any communication received in relation to the accident to Us without delay.

What the Law requires in the case of an accident

For Your guidance the following has been extracted from the 'Rules of the Road'.

- a) Any driver involved must stop his/her vehicle and keep it at the scene of the accident for a reasonable time. However, to avoid obstruction and danger to other road users, the positions of the vehicles should be marked and the vehicles moved off the actual carriageway as quickly as possible.
- b) Any driver must, if requested, give
 - i) Name and address.
 - ii) The name and address of the vehicle owner if different.
 - iii) The vehicle registration number.
 - iv) Evidence of the insurance to a Garda, or if no Garda is present to anyone present who was involved in or affected by the accident – in any other case the information must be given, if requested to an independent witness.
- c) If any person is injured as result of the accident, the accident must be reported to the nearest Garda station if no Garda is present at the scene of the accident.
- d) Where damage to property only is involved, it is not necessary to report the accident to a Garda Station provided the driver gives necessary particulars as b) above to the owner of the property.

If You are involved in an accident with a visiting motorist, report the accident to the Motor Insurance Bureau of Ireland, 5 Harbourmaster Place, IFSC, Dublin 1. Telephone 01 676 9944.

IMPORTANT NOTICE

You should never, under any circumstances, allow an uninsured driver i.e., a driver who is not named on Your Certificate of Insurance, to use Your vehicle. If You do, You will be personally liable for any accident that happens. If You are in any doubt on this issue or any other matter do not hesitate to contact Your intermediary who will assist You.
